

# Sun Safety #1

---

Promote sun safety by having a Funky Hat Day.

**Definition:** Funky Hat Day means students, teachers and staff wear their funkiest hats to school (or on the playground). The hat that provides the most shade or covers the most skin wins!

# Assignments

---

## **School Coordinator Assignments**

- Promote sun safety by having a Funky Hat Day in Fall or Spring
- Announce on the intercom when Funky Hat Day will be; invite students to wear their hats outside and on the playground
- On Funky Hat Day, tell students on the morning announcements that hats can be used as a protection from the sun
- Announce the funkiest hat at the end of the day
